

Lakeland Catholic School Division

Christ Our Model. Children Our Focus.

About our Division

Lakeland Catholic Schools is a unique and innovative division. We are a mid-sized school division with all the strengths and facilities that you might find within a larger school division. We achieve this through empowering people to use their skills and abilities to their full potential and that means we are constantly growing and adapting.

Our Division is located approximately 250 kilometers northeast of Edmonton. We have over 2,600 students and 300 employees. The four major communities in the division are Bonnyville, Cold Lake, Lac La Biche, and Waskatenau. Within these communities, the Division operates eight schools all offering dual-track programs (English and French Immersion). In response to the COVID-19 pandemic, we continue to offer our students online learning.

We hire approximately 10-20 teachers each year. Every year, we nominate one teacher for the Excellence in Catholic Education Award, as well as submit a nomination for the Edwin Parr Award.
